# HEATING

## LOCO HEATED TOWEL RAILS

The Loco Heated Towel Rail range combines practical heating performance with a sleek, contemporary design. Each rail is manufactured with a 22mm tube thickness for efficient heat output and is supplied complete with a wall bracket for straightforward installation.

Available in a large number of sizes, as well as a choice of chrome, black, or anthracite finishes, and in both straight and curved styles, the collection offers flexibility to suit bathrooms of all shapes and layouts. For added versatility, the rails can also be converted to electric or dual fuel with separately available heating elements, making Loco a stylish and adaptable solution for modern homes.
